IMTIYAZ HASAN AMIN

ASP.NET FULL STACK DEVELOPER

CAREER OBJECTIVE

Aspiring ASP.NET Full Stack Developer with practical training in C#, .NET Core, SQL Server, Entity Framework, REST APIs, Angular and React. Seeking an entry-level role to contribute to real-world projects and grow within a professional software team.

EXPERIENCE

Software Development Intern

Star Computer Systems Limited || May 2026 - Present

- Developing ASP.NET full-stack features using C#, .NET Core, SQL Server, Entity Framework, Angular and React.
- Supporting requirement analysis, debugging, database operations and application workflow implementation.
- Working in a supervised professional development environment and strengthening practical software-engineering skills.

PROFESSIONAL TRAINING

Cross Platform Apps using ASP.NET, Angular & React

IsDB-BISEW IT Scholarship Programme || Sep 2025 - May 2026

- Completed intensive on-site training in enterprise web and cross-platform application development.
- Gained hands-on experience with C#, ASP.NET MVC, .NET Core, Entity Framework, REST APIs, ADO.NET, SQL Server, MongoDB and Node.js.
- Developed database-driven applications with CRUD operations, relational database design, validation and reusable components using layered architecture.
- Built responsive front-end applications using HTML, CSS, JavaScript, Angular and React with REST API integration.
- Developed cross-platform mobile and desktop applications using .NET MAUI.
- Created structured reports and data visualization solutions using Crystal Reports.
